

FCC Commissioners
The Federal Communications Commission RE: Docket 04-435
445 12th Street, SW
Washington, DC 20554

Dear FCC Commissioners ,

I am writing to praise the FCC's proposal to relax the restrictions on the use of cell phones on airplanes in flight.

There is no hard evidence that cell phone use interferes with navigational instruments. The introduction of cell phone use in the cabin will allow business travelers to be more productive which can only help our economy. Please change the current rules.

Sincerely,

Tom Nassar
